

# Software delivery : 880505 - ATyS aM

Version	880505
Application date	27/09/2024
Issued by	s-firm
Division or departement manager	GM/BO/PSM/DEV/FIRM

Software Delivery document	SoftwareDeliveryDocumentFull.pdf
----------------------------	----------------------------------

## Project identification

Edited 27/09/2024 10:38:13

Software identification	
File name	PRO_880505_ATYS_aM.hex
File size	674039 bytes
File MD5	755cd342dd0146404610da84008d4846
Firmware version	1.2.0.43
Firmware build date	27/09/2024 10:36:13

## STB identification

Software tech base version	1.2.0
Software tech base code	880911
Standard area code compatibility	4
Specific area code compatibility	1
Software tech base MD5	a5f647706f0e5c45bc90ee636123bb31

## Standard customization

Standard area code	4
Standard area size (bytes)	76
Specific area code	1
Specific area size (bytes)	2
Specific area CRC (SPE CRC)	0xb001
Customization version	1.0
Product code	880505
Customization code	880XXA
Software tech base code	880911
Product range ID	300
Product ID	1100
Vendor name	SOCOMECS
Product name	ATyS aM
Extended name	ATyS

## Specific customization

Specific customization	0x0000
------------------------	--------

## Memory

### ROM usage (non-volatile memory)

Total (bytes)	239611,4
Used (bytes)	233717 (97,5 %)
Free (bytes)	5894,438 (2,5 %)

### RAM usage (volatile memory)

Total (bytes)	98307,38
Used (bytes)	63133 (64,2 %)
Free (bytes)	35174,38 (35,8 %)
